

March 2009 Edition

Message from the President:

Velda K King

I hope that all of you had a wonderful holiday. It was the best that Eve's Place has ever had. We were able to more than double our outreach program and the residents of the house had a terrific

holiday season, because of your generosity. The out pour of women and children's presents was fantastic. My heart is so full of gratitude for all of you that helped in so many ways.

We will try to give credit to all those that helped, but if we miss someone please forgive us.

As this newsletter hits the presses we have opened our first transitional house, where the families can live for 18 months. This is a self-sufficient program for the women that are working but can't afford normal rent and utilities. This is possible through the generosity of one of our supporters. We now have three families in our long term housing and we have housed and supported our first male. This was just in the first few months of 2009.

We were asked recently, if our program was stable and would it be here next year. I want to assure each and every one of you that we will not only still be here, but, we will be helping as many

women and children as we can hold. The Board of Directors is about stability, strength and possibilities and we have shown that everyday for the last four years and we have no intention of changing. We have made our commitment to serve the victims of Domestic Violence and we will.

We know that times are difficult for everyone and that the economy is the worst that most of us have ever seen but we have prepared for this day and we have been financially responsible in preparation. Just like everything else, we can't make it without you but we know that we will have to think out of the box to make this happen and you are the best supporters in all of this country.

Editor's Note:

We have had a number of readers contact us regarding the costs of our newsletter, mailings and postage required for both. We wanted everyone to know that these items are graciously donated by Publishers' Management Corp. Eve's Place DOES NOT incur any expenses for these items. The monies received from donations and fundraisers are used solely to support our Safe House and programs for victims of Domestic Violence.

We are going to start a campaign amongst the many groups that support us and I challenge you to participate. Feed our house for a week. Just think about it, we only

need 52 groups and we would not have to buy any groceries. That is not impossible and it is not that much for any group. We will be putting this on our website soon, so be looking for it.

That brings me to my next topic, the newsletter. We have heard some of our donors express their concern over the cost of the newsletter. Even though it is completely donated we are working on a way to allow you to receive it on our website. We would like to start collecting your email addresses and emailing you a notice when the newsletter is posted on the website. This will also allow you quicker access to all that is going on in our organization.

If you would like to receive your newsletter via email please either give the office a call or email me at vking@safeyatevesplace.org and I will get you set-up.

The thrift store is going green. We have wonderful purple bags that you will receive if you purchase over \$25.00 in merchandise. This is a great way to support us and help keep our doors open. Through your shopping or donating your items it helps everyone including our residents and outreach program.

Our *Denim & Diamond Gala* is on March 7th and I sure hope to see all of you there. We have a surprise for you that you won't want to miss. This is our most profitable fund raiser and it is the one that we work the hardest on. We lowered the price so that it would be more affordable to more people. At only \$55.00 per person, you can put on your jeans and your fancy top and come enjoy a night with fantastic people. I am just so excited about the gift the children are providing and so are they. It was their idea and they want to show their gratitude. I look forward to greeting each and everyone one of you.

Blessings to all, YOU ARE THE BEST!!!

Executive Director's Corner

Laura Horsley

It was a wonderful holiday season in our program. We were able to provide Christmas to all of our residents. They each received at least one item on their wish list this year due to generous donations from the community. In addition to providing Christmas to the residents of the Safe House we were also able to assist an additional 202 individuals. The 202 included

167 children who would not have received a gift for the holiday.

From July to September the number of women was 62 and 45 children for a total of 2765 nights of service. From October thru December we served 72 women and 26 children for a total of 2,839 nights of service. The number of individuals went down, but the number of nights needed increased. We expect to have higher numbers next quarter.

We have opened our first transitional house. This program will be for women and children who have graduated from the Safe House but still need additional time to secure long term

There are monthly sale days where all merchandise is marked off 50%. The store has been providing free hotdogs and refreshments during these sales. Please check in to find out when the next sale is scheduled.

housing. This will be an 18 month program and we have two families preparing to move. The women will receive ongoing support from a case manager who will visit them weekly to assist them with resources and support groups.

Eve's Place is a partner in the Bell Mirage Estates apartments. We have been able to fill two units at this time and have an additional family waiting to see if they are eligible. This is a long term affordable housing complex, which allows former clients the opportunity for stability.

Eve's Treasures, our thrift store, is doing well. There are monthly sale days where all merchandise is marked off 50%. The store has been providing free hotdogs and refreshments during these sales. Please check in to find out when the next sale is scheduled. The store is open Monday through Saturday from 8:00 A.M. to 4:00 P.M.

As an extra service, pick up of large items can be scheduled. Delivery service is available for a small fee for larger items purchased at the store. We appreciate the support of our shoppers, donors, volunteers and staff. We encourage everyone planning to stay for the summer months to consider volunteering your time in our store.

As everyone is aware, the state budget is facing a deficit balance. The legislature is anticipating deep cuts, which will affect many agencies and programs. The extent of these cuts is not known at this time, but it is imperative that we maintain state funding for our Safe House. Eve's Place is currently working on revised budgets to determine the impact at various levels of cuts. At this time Eve's Place is taking a proactive stand and is preparing alternatives to state funding. It is essential that we all work together by supporting victims of domestic violence and their children. We need your time, donations, attendance at events and, of course, money.

As you know, our nights of service continue to rise every quarter. These women and children will not have a place to go when domestic violence programs are forced to cut beds and services. We encourage everyone to contact our office to get information about how you can help Eve's Place continue to provide services to the many women and children needing a safe place to sleep at night.

Volunteers are more important than ever. Volunteering for Eve's Place provides opportunities for our program to continue providing services without adding overhead costs for additional staff. Volunteers can work in the office, providing office coverage, at the Safe House, once they have been cleared and trained, and in our thrift store. Please contact Joyce at the office to find out how to get involved. We need you to continue making women and children safe during this tough economic time.

Eve's Place is fortunate to have wonderful community support. I hope as we move forward,

you will all continue to attend our fundraising events. These funds are used to directly fund the Safe House. Donations of money, time and gently used items are all welcome and can be used to off-set program costs.

Working together we can make a difference.

Kid's Corner

This last quarter has been a very busy time for the Children's Program, not only did we have a wonderful Christmas due to the numerous donations from the community, but we were also able to attend a few activities during the Winter Break. As part of the Family Building priority held by the Children's program, we attempt to find activities for the children and Moms to do together.

These outings and experiences help rebuild the family bond while giving the families an opportunity at normality during this hectic time in their life. One of the activities, sponsored by Sun City Lodge and their driver Al, was a wonderful night looking at the Christmas decorations in town while enjoying the best hot chocolate and cookies in the Valley. Also, during Winter Break we were able to take a trip to the World Wild Life Zoo. The kids and Moms were able to touch and feed the stingrays in the Zoo's new Aquarium and had a wonderful day enjoying the animals. Thanks to Marley Park and its residents for donating the admission tickets.

The Children's Program is also beginning a tutoring program. We have asked a few of our wonderful volunteers to come in and work with our kiddos on their homework, class projects and so on. It is a very difficult thing for a child who has experienced the life of Domestic Violence to find the will and motivation to concentrate in school. If you interested in volunteering in this group, please contact our Children's Director at marci0831@hotmail.com or (623) 824-2335.

We would like to give a special thanks to Mrs. Manzara's 4th grade class at Paradise Education Center who collected and donated toys, books, and DVD's to the kids at the House. They are currently working on a clothing donation drive to help our kids at the shelter, many of whom come in with so very little.

We also want to thank Mary, in the local school office, for her wonderful care and concern for our children as they enroll in school. We cannot be specific about the school location, but Mary makes sure our kids feel welcome, during a scary time for them. Many of our kids have to change schools with little notice.

Currently the Children's Program is in desperate need of children's clothing and shoes, specifically school-age sizes.

A big Thank You to all who donated toys and gift cards to the kids for Christmas, the children were so happy to be able to receive at least one item on their Wish List. It was truly a wonderful Christmas thanks to our generous community.

FEATURED BOARD MEMBER

Randy Miller

Randy Miller

Randy moved to Surprise Arizona with his family in December of 2005 after retiring from the Santa Barbara County Probation Department. Randy's experience has been as a probation officer working with juvenile and adult gangs, substance abuse treatment and monitoring.

Randy has also brought his contacts with him and has found several contactors for our safe-house. With a house this size, you always need plumbers and other trades.

Randy currently owns and operates Toshi's Roast Coffee Roasting House located at 17058 West Bell Road, suite 100 in Surprise.

VOLUNTEER SPOTLIGHT

Judi Brawner

In the aftermath of Hurricane Katrina, Judi Brawner traveled with her husband and members of the New Song Methodist Church to the Waveland/Bay St. Louis area of Mississippi where they were shocked by the degree of devastation. They returned to Mississippi a total of seven times to help rebuild and were comforted and nourished at the end of each arduous day with casseroles prepared by local church women.

Judi Brawner

During the same time frame, Judi was a volunteer with Eve's Place looking for her service niche. It occurred to her that it would be a wonderful thing for residents in the Safe House to have access to a frozen, microwavable dish regardless of the time of day. Judi recruited women from her church and the "New Song Cookers" were born. These wonderful women meet biweekly, cook and deliver food they have prepared and purchased, frequently with their own funds.

One good deed truly does lead to another especially when a dynamic person like Judi is given something good. You can be sure she will pass it on.

EVENT NEWS

Celebration of New Beginnings

The Fourth annual Celebration of New Beginnings was held on Sunday November 9th at the home of Tom and Joan Liston. This year's event was sponsored by Wealth Management International, Ltd.

We want to thank, not only our home hosts, but our host committee which was comprised of Joan and Tom Liston, Marge and Ken Clark, Lois and Dave Brechner, Dorothea and Alvin

Boothe, Joan Stukenborg and Lola Daugherty, Deborah Kavulich and Lynn Whaley. It takes a lot of hard work and dedication to plan and hold a function of this size.

In spite of the stormy weather, it was a evening of fun, food and conversation.

Tee it up for Eve's Place

Grand Ladies Golf Association (GLGA) was proud to host "Tee it up for Eve's Place", a golf tournament fundraiser held at Granite Falls Golf Course in Sun City Grand on November 18, 2008. The tournament committee did a fabulous job organizing the event and had over 220 member participants who generously opened their hearts and wallets to help GLGA raise money to benefit Eve's Place.

Leatha Martin (center) accepting check from GLGA

With the help of donations from Liz Golf, Footjoy, Gear, Los Caballeros Resort, Cimarron Day Spa, Granite Falls Pro Shop and Sunrise Salon they sold raffles tickets to up the ante for Eve's Place. With the proceeds from the tournament and raffle ticket sales, they proudly presented Eve's Place with a check for \$7,000.00 on December 1, 2008.

"We are comfortable in the knowledge that Eve's Place will use this donation to help women and children in our community recover from abuse and change the course of their

lives" — Respectfully submitted by Cheryl Ulrich - Major Tournament Chairperson for GLGA on behalf of Donna Fisher - Eve's Place Tournament Chairperson.

“Stepping into the Holidays “ Fashion Show Luncheon

Our “STEPPING INTO THE HOLIDAYS” Luncheon and Fashion Show on December 3rd at the Skye Restaurant in Peoria had a wonderful turnout. Our fashions were by the famous “Chicos at Arrowhead” and there were many “Chickettes” in our audience. We had eleven women modeling, two outfits each, both casual and dressy. The response was of approval as they all went running to Chicos shopping after the show had finished using their 50% off coupons good for that day.

The Skye's Chef, Scott Tompkins, did a lovely job with a Kahlua Glazed Chicken Breast on top of a bed of butternut squash puree and blue lake green beans. And, to finish the meal was their warm Lava Cake with minted hot chocolate cream. Good thing that Chicos makes elasticized waist bands! We had entertainment beginning with the macho cowboy, DJ Jones, who came out singing “Pretty Woman.” Many of us wanted to take him home. We also had Kay Pittenger and Herme Sherry singing their chosen songs during the show. Their talent is unquestionable and we appreciate them so much.

Between the raffle tickets, in which we had four lovely prizes, and our tips for kids, it was a very successful event with the generosity of all the women that attended. Thank you to everyone for helping our women and children.

Eve's Treasure's Second Birthday!

On Friday, November 7th Eve's Treasures turned two years old. We had a massive party to celebrate the anniversary and to celebrate our move to a larger store. The event went from 11:30 until 2:30. There were free hotdogs, drinks, popcorn

Asst. Mgr Cindy Schmidt & Manager Frank Gaklindo

and tons of cake. We had door prizes every half hour for the duration of the celebration.

Everything in the store was discounted 50% for the day. We had an amazing turnout of people and record sales for the day. We wish to thank everyone that worked, vol-

unteered, donated and participated in this fun event. We hope to see even more people for our third anniversary.

CHRISTMAS AT EVE'S PLACE

We are including this section to give thanks to just a few of the many special events and gifts given to Eve's Place during the holiday season.

"IDOL IN THE SKYE"

The Skye Restaurant in Peoria held their Christmas Show called "Idol in the Skye" on Sunday night, December 21st to benefit Eve's Place. There were numerous very talented singers that had won the Skye's Idol Contest over the last two years. What a show they put on.

The Skye sent out an email blast to all their patrons letting them know that in lieu of the \$10 admission charge, they could bring a children's gift to be donated to Eve's Place. Well we almost fell over! By the end of the evening, we had over 100 gifts for the kids along with a generous amount of cash donations from the Skye.

Their staff not only donated their own money, but in addition, for those patrons that paid the \$10 cover charge, the Skye also donated that money to Eve's Place. From the time the Skye Restaurant opened a few years ago, they have

constantly supported the efforts of Eve's place with donations and fundraisers.

The Skye is truly a good friend of Eve's Place. Please watch for their Christmas Show next year because it will again benefit Eve's Place. We hope to see all of you there.

Marley Park—Wild Life Zoo Excursion

The Marley Park community outreach program again selected Eve's Place to support. The women and children of the safe-house were given tickets to the Wildlife World Zoo and Aquarium, in Litchfield Park, for the day.

The safe-house residents had a wonderful time and the kids loved the animals. Most of our kids had never been to a zoo and they are still talking about it!

Sun City Grand Woodshop

Santa's not the only one who has elves who work in a Toy Work Shop. Sun City Grand is full of toy making elves. Each year they start making wooden Christmas Toys in February for distribution in early in December. This year they made around 500 toys and distributed them evenly to four of their favorite charities, one of which was Eve's Place.

They have over 40 members who spent time this year turning wood into puzzles, crayon toys,

Sun City Grand Woodworkers

pull toys, helicopters, miniature front loaders, banks, jewelry boxes and other items for small children. The toys are magnificent and made with such love. Marge Clark, founder of Eve's Place, accepted these beautiful toys. The toys brightened the Christmas for many little children associated with Eve's Place.

In addition to the wooden toys, the SCG Wood Workers had made \$365 from the sale of model airplanes made in 2007 and made a special deal with Target in Surprise and turned that money into one 26" boy's bike, two 20" unisex bikes, one bike with training wheels, one tricycle, and a Big Wheel for Eve's Place.

These are only a few of the generous acts that this group in our community has done to support Eve's Place. We are lucky to have such friends. Thanks again SCG Wood Shop for all of your support and generous contributions.

Toshi's Roast Toy Drive

On December 4, 2008 from 2 to 5PM residents of Surprise and Sun City Grand turned out to support Eve's Place. Randy Miller of Toshi's Roast, located at 17058 W. Bell Road Suite 100, Surprise, served coffee and sandwiches.

Board Members on-hand at Toshi's Roast

While Our supporters had an opportunity to meet with the Board. Everyone brought toys for the children at the safe-hose, the generosity was amazing. We filled two vans with toys. A big thank-you to everyone.

Candle Gifts

On Thursday, December 11, 2008, Eve's Place staff and volunteers wrapped 300 candles for women who would not receive a gift for the holiday. We were fortunate to be selected by Westcor/Desert Sky Mall to also be the recipient of the candles.

The event was from 4 to 6 P.M. at the Desert Sky Mall. The candles were given to the women at our Safe House as well as women in our outreach program for the holidays.

All 300 candles found a home. The staff and volunteers had a wonderful time wrapping the gifts. Eve's Place would like to thank Stephanie Goodin, Marketing Manager, for including us in this special holiday activity.

Christmas Decorations

The safe-house was extra festive this year as two nine-foot lighted trees were donated. The Surprise Blue Thongs once again came and helped decorate the entire house. It was gorgeous and everyone had fun.

The Blue Thongs are one of our special groups as they also help women who are seeking employment on a weekly basis.

Christmas Lights

The Sun Valley Lodge and Executive Director Michael Fahey generously donated the use of their mini-bus for our women and children to go see the Christmas light displays.

Al Pepe donated his time and drove everyone around. He had them singing Christmas carols, eating cookies and drinking hot chocolate while having a great time. The weather was cold and rainy, but no one noticed. What a special treat!

Grace Community Church Meeting

Velda King, President of the Board, spoke at the Grace Community Church at their Christmas luncheon. The women attendees brought gifts for

the women and children, including gift cards. Again Velda's Van was filled and they sent a wonderful lunch for the residents of the safe-house. This is not the first time the church has supported Eve's Place.

Wrap-a-thon

December 15, 2008 was the first Wrap a Thon hosted by Arizona Traditions. There were over 60 volunteers from Eve's Place and Arizona Traditions gathered to wrap the gifts for the women and children in the safe house as well as the individual gifts for our Christmas Outreach Program.

There was Christmas music, lunch and lots of wrapping. The volunteers were able to wrap every gift for over 369 recipients in less than an hour. We certainly appreciate the support on this project. Last year it took several days for the staff to wrap gifts for 169 people.

Christmas Thanks

We are so grateful for the outpouring of goods, services and kindness that all of you have given us during 2008 and especially during the Christmas holidays. **THANK YOU FROM ALL OF THE BOARD MEMBERS, STAFF AND VOLUNTEERS!**

Special Thanks

Surprise Singles

The Surprise Singles group got together to make a difference and what a difference they made. This is a small group, but, they gave us boxes of food and over 700 pounds of sugar!

This is about a six to nine month supply of sugar. The sugar alone would have cost us over \$250. This makes a big difference — hats off to this wonderful group.

Westcor/Desert Sky Mall

Westcor/Desert Sky Mall came through for Eve's Place once again with donations of clothes racks and mannequins for our thrift store, Eve's Treasures. The items were picked up on February 4th.

Many of the racks and mannequins have been placed in the store, making shopping even better for our customers. In addition to helping the store, one of the racks was placed in our Safe House donation room to help the women find clothing more efficiently.

We appreciate Stephanie Goodin, Marketing Manager and the Desert Sky Mall for consistently helping Eve's Place.

Department of Corrections Gift

On November 10, 2008, the Enman Unit of the State Department of Corrections in Buckeye, Arizona donated over \$11,000 to Eve's Place. The inmates and staff at this complex conducted a fundraiser and selected Eve's Place as the recipient. The money was to benefit victims. Five inmates were present during the check presentation and had an opportunity to talk to the Executive Director about the fundraiser and the use of the money.

The inmates had many questions about the services Eve's Place offers and decided that the money could be used for whatever was needed by the program. It was a wonderful opportunity for the inmates, Enman Unit staff and Eve's Place to work together to serve victims of domestic violence and their children.

Kelli Fawcett and Wal-Mart

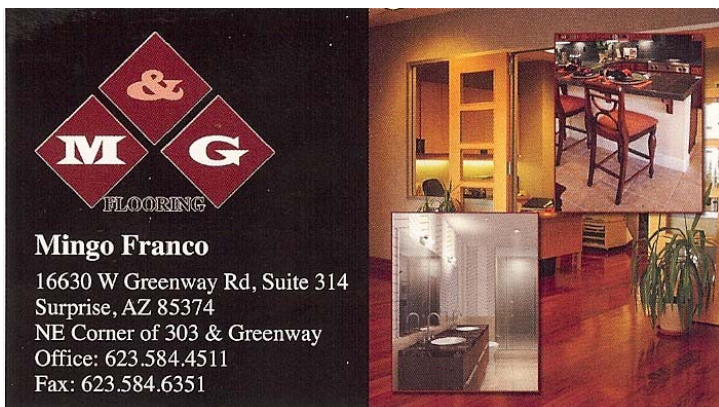

Kelli Fawcett Associate Publisher and Sr. Marketing Partner for Arizona Woman and bizAZ magazines in association with the Happy Valley Road Wal-Mart have donated so many items to our safe-house. Everything from sundry items, clothes, crayola products and even a tricycle.

We want to give a special thanks to Kelli for her dedication in obtaining the items, not only

for Eve's Place, but for several other non-profit groups as well. Kelli personally stores and organizes the donated items. You can't even imagine how large a job this is.

Likewise, we want to thank the Happy Valley Road Wal-Mart for their continued donations to Kelli. Every item that we have received has been put to good use at our safe-house.

New Bedroom Floors

We want to thank Mingo at M&G Flooring for the new tile bedroom floors at the safe-house. Thanks to Mingo for his time and discounted floor tile. He has also donated his time and materials to fix a problem with one of our showers. He has done a great job and the residents are enjoying the great new floors.

Thank you Well's Fargo

Eve's Place would like to thank Well's Fargo Bank located at 107th Avenue and Peoria Avenue for their sponsorship of 50% Off Sale Day at Eve's Treasures. Well's Fargo has provided the free hot dogs in January and February. Special thanks to Zack for supporting our cause.

In Memoriam: Vernadene Loveland

March 1, 2009 will be the first anniversary of the passing of a very special and dear friend: Vernadene. In her memory, her children have graciously presented Eve's Place with a check for \$1000. Along with the check, her children have requested the following acknowledgment;

"In loving memory of our dear mom Vernadene Loveland, from her three children Dale, Brent & Dana".
